

Update 11-5-20

Dear Parents,

Unfortunately, we are unable to run our CHAMPS season this winter. The continuation of COVID and its possible effects on players, coaches, volunteers and families have caused us to re-evaluate and we believe it best to hold off this season. We will miss having this time with your children, but please know that we hope to continue it again in the future and we will inform you hopefully next year at this time of that. You can check out our website (www.crosspointeindy.com) and Facebook page for updates as well.

Thank you!

CBC Staff
